

## FCJ Across the World

Calgary, Canada  
mercredi, 16-Oct-19

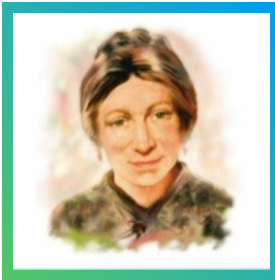

Today we, the capitulars at [the 2019 Chapter](#), had the joy of hearing from our companions in all parts of the Society. Each [Area](#) ([Americas](#), [Europe](#), [Asia](#), [Australia](#)) gave us a good feel for the context in which they live and work.

Despite the huge differences in context, there was amazing uniformity ... We were introduced to women on mission in every country where we are. There was uniformity too, in that in every Area there are significant challenges. It will be inspiring to see how we will move forward from here!

More on our General Chapter on the [Chapter News](#) page and on social media [#FCJChapter2019](#).
