

Preparing for Christmas at FCJ Christian Life Centre

Calgary, Canada
jeudi, 19-Déc-19

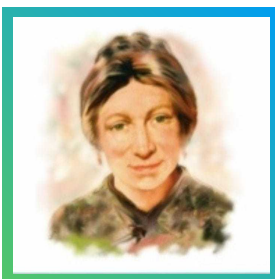

All staff of [FCJ Christian Life Centre](#), the retreat and conference centre of the Sisters Faithful Companions of Jesus in Calgary, had a great Pre-Christmas celebration on December 16th combined with their efforts to help the homeless.

In the morning they stuffed socks with useful items e.g. toothbrush/toothpaste, shampoo, deodorant, wool toque, comb, etc. All items were donated by generous friends of the Center. All the stuffed socks will be delivered to the [Calgary Alpha House](#), a safe haven for homeless people whose lives are affected by drugs and alcohol.

The centre staff celebrations continued as they enjoyed a festive lunch and watched a movie together.
