

## The Mystery of Hope

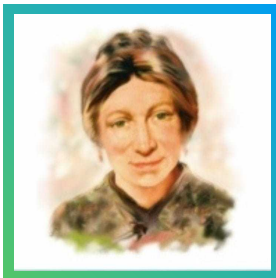

Londra, Inghilterra

lunedì, 9-Dic-19

During the weeks of Advent, the words ‘as we wait in joyful hope for the coming of our Saviour Jesus Christ’ take on a special significance. Sr Teresa fcJ offers an Advent-inspired reflection on the mystery of hope, as it is articulated in the words of the French poet, Charles Péguy. What makes hope the most surprising of the three theological virtues?

Read Teresa’s reflection, [The mystery of hope](#), on *Thinking Faith*, an online Jesuit journal.

“ Chiediamo a Nostro Signore di darci lo spirito della Compagnia di Gesù. Siccome abbiamo le Costituzioni, è volontà di Dio che noi abbiamo il suo spirito. ”
