

## Celebration and Farewells at the End of the Chapter

Calgary, Canada

Thursday, 31-Oct-19

On the evening of October 30th, the closing day of the 2019 [General Chapter](#), we gathered for a final social—time to relax, to sing and share stories. We also had the opportunity to give special thanks to the various committees who worked hard to ensure the smooth running of the Chapter. Special acknowledgement was given to those sisters from the Sacred Heart Community who facilitated arrivals, departures and welcoming accommodation.

Throughout the following day, Sisters began their journeys homes (some leaving at 4.00am), to take up their ministries again in more than 10 countries.

As we disperse, we rejoice that we are on mission in the third century of our Society—Faithful Companions of Jesus—looking to the future as Women on Mission with Christ in the world.
