

Our Temple

A poem by Doug, CiM

Our Temple
each body is a temple
look after it
keep it well
share it
every way you can
open it
to let your love out
and their love in
until all the walls fall
and We become
every body
and the need
for a temple is gone

The Dome of the Rock is sacred to both Jews and Muslims. It is built over the site of the original Jewish Temple in Jerusalem. It is also the most probable location where Abraham went with his son Isaac after being told to sacrifice him and where Mohammed ascended into heaven.

“ Let us ask Our Lord to give us the spirit of the Society of Jesus; since we have its Constitutions, it is God's will that we should have its spirit. ”
